Date: 10 August 2026

To: Our Valued Customers

Subject: Update on SIRIM-DOSH Certification Status for Safetyware Particulate Respirators (8600V, 8800 & 8200 Series)

Dear Valued Customer,

We would like to provide you with an update regarding the **SIRIM-DOSH certification process for Safetyware respiratory protective devices**.

We are pleased to inform you that the **SIRIM initial audit has been successfully completed**. The audit was conducted by SIRIM QAS International Sdn. Bhd. on **28 and 29 July 2026**, covering the manufacturing process, quality control system, product traceability, testing records, calibration, and other relevant certification requirements. **(Reference: P5-025022_AuditReport)**

During the audit, product samples were selected for factory witness testing, covering breathing resistance, filtration efficiency, valve leakage, head strap and valve strength. The test result was recorded as **Passed**.

The audit also concluded that the manufacturer's quality system was available and implemented to monitor product compliance and consistency with the applicable standard.

The certification process is currently **in progress**, and we are proceeding with the remaining certification/approval process, including the relevant **DOSH (Department of Occupational Safety and Health/JKKP)** requirements.

We appreciate your patience while we await completion of the DOSH approval process. We will provide a further update once the approval/certification has been finalized.

Should you require any further information, please feel free to contact us.

Thank you for your continued trust and support.

Yours faithfully,

For and on behalf of
SAFETYWARE SOLUTIONS SDN. BHD.

Agnes Tan
Chief Compliance Officer

AUDIT REPORT

File Information

File No. : P5-025022
File Status : Pre-Certification
Product : RESPIRATORY PROTECTIVE DEVICES -FILTERING HALF MASKS
Standard : BS EN 149 : 2001+A1 : 2009
Customer Code : 26002251
Customer Name : SAFETYWARE SOLUTIONS SDN. BHD.
Customer Address : PLOT 237, LENGKOK PERINDUSTRIAN BUKIT MINYAK 3
BUKIT MINYAK INDUSTRIAL ESTATE
14100, SIMPANG AMPAT
PULAU PINANG, MALAYSIA
Customer Representative : NUR SYAHIRAH

Summary of current findings

Initial audit for year 2026. Person seen during audit is Mr Wong (Trading) and Mis Mona (Manufacturer)

It was found that quality system was available to monitor product compliance and consistency according to Standard requirements. Enough evidences were gathered to conclude that the implementation of the quality system was done accordingly. These included all test equipment, procedure and QC records.

Competency of employees were observed satisfactory. They were provided with all necessary tools to help them doing their job correctly and effectively. All processes records are traceable.

Manufacturer is certified with nqa Shanghai for ISO 9001; 2015. Cert no= 35874 and valid until 13/12/2026. Improvement on final performance testing report format/ batch test report has been raised during closing meeting and manufacturer has submit corrective action immediately during the audit

No sample selected for full type test. Use accredited 3rd party from APAVE lab, france.

Changes required for continued certification

To send sample of marking on product and packaging after certified by SIRIM

Other instructions

nil

Recommendations

Recommendation for New Certification will be done within 30 days after satisfactory fulfillment of product certification requirements.
